

# EZEQUIEL MORSELLA

Professor of Neuroscience  
Department of Psychology  
San Francisco State University (SFSU)

Assistant Adjunct Professor  
Department of Neurology  
University of California, San Francisco (UCSF)

Boardmember, Scientific Advisory Board  
Institute of Cognitive Neurology (INECO), Buenos Aires

## CONTACT INFORMATION

Department of Psychology  
San Francisco State University  
1600 Holloway Avenue, EP 301  
San Francisco, California 94132-4168  
Email: [morsella@sfsu.edu](mailto:morsella@sfsu.edu)  
Laboratory website: <http://online.sfsu.edu/morsella/>

## RESEARCH INTERESTS

My research focuses on the differences in the brain between the conscious and unconscious aspects of action control. From a systems neuroscience perspective, the research integrates cognitive, neurobiological, and neurological approaches illuminating the nature of the basic unconscious processes and conscious mechanisms (e.g., cognitive conflict, working memory) in action control.

## EDUCATION

Postdoctoral	Yale University	9/2003 – 7/2007
Ph.D.	Columbia University	5/2002
M. Phil.	Columbia University	4/2001
M.A.	Columbia University	10/2000
B.A. Psychology	University of Miami	5/1996, <i>Phi Beta Kappa, Cum Laude</i>

## HONORS AND AWARDS

Award for Editing, <i>Frontiers in Psychology</i>	3/2014
San Francisco State University Presidential Award For proposal, “ <i>Interactions between Conscious and Unconscious Processes in Action Production</i> ” (award resulting in release from all teaching obligations for spring 2012)	1/2013
Invited to be an Early Career Reviewer for the Center for Scientific Review of the National Institutes of Health	11/2011
One of six nominees for the Virtual Nobel Prize in Psychology (sponsored by the University of Klagenfurt, Austria)	6/2010
NIH NRSA Postdoctoral Fellowship, “A Process Model of Automatic Social Behavior” (MH069083), accepted first submission, score in top 1.2 percentile	5/2003
Richard Christie Memorial Award (dissertation research fellowship)	4/2001
Columbia University Faculty Fellowship (full support for doctoral study)	8/1997
Phi Beta Kappa	3/1996
University of Miami Stanford Scholarship	8/1994

## FICTION

“Last Voyage to Coronado.” *Italian Americana*, Summer 2001.

*The Octopus Wars: The Collected Fictions of Ezequiel Morsella*, 2016, Arauco Publishers. For a review of this published fiction, see *Italian Americana*, Vol. XXIX, Summer 2011.

## REPRESENTATIVE PRESENTATIONS (E.G., COLLOQUIA AND SYMPOSIA)

39. *The Five Burdens of Encapsulation*. The Historicity of Consciousness (a workshop). Department of Humanities, San Francisco State University, 5/14/2019.
38. *The Five Burdens of Encapsulation*. Northern California Consciousness Conference. University of California, Davis, 3/15/2019.
37. *The Interaction between Conscious and Unconscious Processes in the Nervous System*. Neuroscience Speaker Series, University of San Francisco, 10/12/2017.
36. *The Function of Consciousness in the Nervous System: Passive Frame Theory*. Center for the Explanation of Consciousness, Stanford University, 4/14/2016.
35. *Passive Frame Theory: A New Synthesis*. Northern California Consciousness Conference. University of California, Davis, 3/4/2016.
34. *Conscious and Unconscious Processes in Nervous Function: An Action-Based Synthesis*. Department of Psychology, University of California, Santa Cruz, 4/16/14.
33. *New Robust Paradigms for the Study of Consciousness and the Brain*, Biomagnetic Imaging Laboratory, Department of Radiology and Biomagnetic Imaging, University of California, San Francisco, 11/20/2013.
32. *Homing in on Consciousness in the Nervous System*, Department of Psychology Colloquium, Cornell University, 11/1/2013.
31. *Consciousness as a Reflexive Processes: New Paradigms*, lecture delivered for the seminar, *Distinguished Speakers in Behavioral and Brain Sciences*, Department of Psychology, Cornell University, 10/31/2013.
30. *Homing in on Consciousness in the Nervous System*, lecture delivered on the occasion of the visit of California State University Chancellor Timothy White to San Francisco State University, 9/4/2013.
29. *Action, Consciousness, and the Brain: A New Synthesis and Robust Experimental Paradigms*, Grand Rounds of the Memory and Aging Center, Department of Neurology, University of California, San Francisco, 10/8/2013.
28. *Homing in on Consciousness in the Nervous System*, Northern California Consciousness Meeting, Center for Mind and Brain, University of California, Davis.
27. *Homing in on the Neural Correlates and Basic Cognitive Mechanisms Associated with Conscious States: Implications for Self-Regulation, Personality and Control*, Warsaw School of Social Sciences and Humanities, 8/13/12.

25. *The Primary Function of Consciousness in the Brain*, presented at the conference, Evolution and Function of Consciousness, Institute of Cognitive Sciences at Université du Québec à Montréal, 6/30/12.
26. *The Circumscribed Role of Consciousness in the Prospective Brain*, Institute for Prospective Cognition, Illinois State University, 6/26/11.
24. *The Circumscribed Integrative Role of Conscious States in the Brain*. Departmental Colloquium, Department of Psychology, University of California, Santa Cruz, 5/18/11.
23. *Nisbett and Wilson (1977) Revisited: The Little That We Can Know And Tell: The Circumscribed Role of Consciousness in the Brain*. Symposium delivered by co-author and former student Christopher C. Berger at the Annual Meeting of the European Association for Social Psychology, Stockholm, Sweden, 7/16/11.
22. *Consciousness and the Three Forms of Binding in the Brain*, The Cognition, Brain, and Behavior Program at the Department of Psychology, University of California, Berkeley, 2/3/2011.
21. *Conscious States Integrate Only Certain Kinds of Information for Adaptive Action*. Department of Psychology, University of Michigan, 2/23/2011
20. *Conscious and Unconscious Action: Conscious States are Necessary to Integrate Only Certain Brain Processes*, Department of Psychology, Michigan State University, 2/25/11.
19. *Conscious States are a Crosstalk Mechanism for Only a Subset of Brain Processes*, presented in *Consciousness: Facts, fictions, and functions*, a pre-conference at the annual meeting of the Society for Personality and Social Psychology, San Antonio, 1/27/2011.
18. *Conscious States are a Crosstalk Mechanism for Only a Subset of Brain Processes*, Institute of Cognitive Neurology (INECO), Buenos Aires, 1/11/11.
17. *Conscious and unconscious action: Social, cognitive, and neural aspects*. Department of Psychology, University of California, Davis, 11/9/09.
16. *The Three Pillars of Volition: Phenomenal States, Ideomotor Processing, and the Skeletal Muscle System*, Symposium presented at "Joint Attention and Agency," Columbia University, 6/12-13/09.
15. *Action, Consciousness, and the Prospective Brain: A Cognitive Neuroscience Approach*, Grand Rounds of the Memory and Aging Center, University of California, San Francisco, Department of Neurology, 2/13/09.
14. *The Primary Function of Consciousness in the Nervous System*, Neurocena Lecture, Faculty of Medicine, University of Buenos Aires, Argentina, 8/8/08.
13. *Neural Correlates of the Essence of Conscious Conflict during Self-Control*, Department of Physics, University of Buenos Aires, Argentina, 8/7/08.
12. *Neural Correlates of the Subjective Aspects of Cognitive Conflict*, Department of Psychology, Yonsei University, Seoul, South Korea, 7/25/08.
11. *What Consciousness is for*. Laboratoire Psychologie de la Perception, CNRS, University of Paris, Descartes, 7/8/08.
10. *Voluntary Action, the Function of Consciousness, and the Skeletal Muscle System*, Symposium presented at "Consciousness, Agency, and the Will: An Interdisciplinary Conference," University of Edinburgh, Scotland, 6/28/2008.
9. *The Primary Function of Consciousness and Why Skeletal Muscles are 'Voluntary' Muscles*, Colloquium, Max Planck Institute for Human Cognitive and Brain Sciences, Leipzig, Germany, 6/26/08.
8. *Mechanisms of Speech Production*, Key note speech at the annual meeting of the Psi Chi Honors Society, San Francisco State University, 5/8/2008
7. *The Primary Function of Consciousness*, Department of Psychology, Harvard University, 10/26/2006.
6. *Out of the Blue: Sources of Automatisms, Co-Speech Gestures, and Other Spontaneous Actions*. Symposium presented at "Expressing Oneself/ Expressing One's Self: A Festschrift in honor of Robert M. Krauss," a conference organized by Ezequiel Morsella at Columbia University, New York, 6/10/2006.
5. *Nonconscious and Conscious Action Plans*, Department of Psychology, Columbia University, 2/21/2005.
4. *Nonconscious Activation of Action Plans: A cascade framework*, Department of Psychology, Yale University, 3/22/2005.

3. *The Primary Function of Phenomenal States: Supramodular Interaction Theory*. Symposium presented at the Annual Convention of the Society for Experimental Social Psychology, San Diego, California, 10/10/2005.
2. Krauss, R. M., & Morsella, E. *Stereotyping and the Vocal Embodiment of Identity*. Symposium presented by R.M.K. at "Communication-Based Approaches to Stereotype Research." Heidelberg, Germany, 6/14/2003.
1. Krauss, R. M., & Morsella, E. (2002). *Gesture as a Facilitator of Lexical Access*. Symposium presented at "Gesture: The Living Medium, the First Congress of the International Society for Gesture Studies," Austin, Texas, 6/7/2002.

#### SELECTED POSTER PRESENTATIONS

97. **Lambert, D., Wong, C. Y., & Morsella, E.** (2020). Habituation of involuntary imagery as a function of stimulus threat and frequency. Poster presented at the Annual Convention of the Society for Cognitive Neuroscience, Boston.
96. **Heredia Cedillo, A., Wong, C. Y., Morsella, E., & Geisler, M. W.** (2020). Effects of action priming on involuntary imagery in the reflexive imagery task. Poster presented at the Annual Convention of the Society for Cognitive Neuroscience, Boston.
95. **Li, Y., Bui, N-C. T., Yankulova, J. K., & Morsella, E.** (2020). The influence of external stimuli on the generation of random thoughts. Poster presented at the Annual Convention of the Association for Psychological Science, Chicago.
94. **Cook, A. J., Dou, W., Morsella, E., & Geisler, M. W.** (2019). EEG correlates of involuntary cognitions from external control. Poster presented at the Annual Convention of the Society for Cognitive Neuroscience, San Francisco.
93. **Velasquez, A. G., Gazzaley, A., Toyoda, H., & Morsella, E.** (2019). Stimulus-elicited involuntary imagery in semi-automated driving: Implications for neuroscience. Poster presented at the Annual Convention of the Society for Cognitive Neuroscience, San Francisco.
92. **Velasquez, A. G., Gazzaley, A., Toyoda, H., & Morsella, E.** (2018). Flanker-like effects in the wild: Stimulus-elicited involuntary imagery in semi-automated driving. Poster presented at the Annual Convention of the Association for Psychological Science, San Francisco.
91. **Yankulova, J. K., Bui, N-C. T., & Morsella, E.** (2018). Involuntary insight, judgments, and syntactic processing and their experimentally-controlled determinants. Poster presented at the Annual Convention of the Association for Psychological Science, San Francisco.
90. **Walker, E. B., Li, Yanming, Gardner, K., Wong, C. Y., & Morsella, E.** (2018). Involuntary high-level attentional shifts as a function of set and processing fluency. Poster presented at the Annual Convention of the Association for Psychological Science, San Francisco.
89. **White, N. A., Velasquez, A. G., & Morsella, E.** (2018). Mary had a little... : Involuntary music imagery and memory retrieval. Poster presented at the Annual Convention of the Association for Psychological Science, San Francisco.
88. **Zacher, L. M., Dou, W., & Morsella, E.** (2018). External control of conscious thoughts by brand symbols. Poster presented at the Annual Convention of the Association for Psychological Science, San Francisco.
87. **Cedillo, A. H., Cook, A. J., Morsella, E., & Geisler, M. W.** (2018). Determinants of involuntary imagery: Accessibility, motor priming, and pop-out effects. Poster presented at the Annual Convention of the Association for Psychological Science, San Francisco.
86. **Dou, W., Bhangal, S., Cho, H., Allen, A. K., Reyes, Z., Morsella, E., & Geisler, M. W.** (2017). External control of the stream of consciousness: An EEG study. Poster presented at the Annual Convention of the Society for Cognitive Neuroscience, San Francisco.
85. **Walker, E. B., Renna, J., Gardner, K., Geisler, M. W., & Morsella, E.** (2017). External control of high-level processing: Involuntary counting, verbal imagery, and attentional shifts. Poster presented at the Annual Convention of the Association for Psychological Science, Boston.

84. **Bui, N. C. T., Ghafur, R. D., Yankulova, J. K., & Morsella, E.** (2017). Are spontaneous thoughts out-of-the-blue? Stimulus-elicited involuntary insights and syntactic processing. Poster presented at the Annual Convention of the Association for Psychological Science, Boston.
83. **Reyes, Z., Yankulova, J. K., Yoo, S. H., & Morsella, E.** (2017). Resilience and involuntary processing of valenced stimuli: The factor of approach/avoidance orientation. Poster presented at the Annual Convention of the Association for Psychological Science, Boston.
82. **Renna, J., Dou, W., Bhangal, S., Geisler, M. W., & Morsella, E.** (2017). Automatic counting and involuntary polymodal imagery (involving olfaction, audition, touch, taste, and vision). Poster presented at the Annual Convention of the Society for Cognitive Neuroscience, San Francisco.
81. **Cushing, D., & Morsella, E.** (2017). Involuntary mental rotation and visuospatial imagery from external control: Implications for frontal control mechanisms. Poster presented at the Annual Convention of the Society for Cognitive Neuroscience, San Francisco.
80. **Pfeifer, K., Morsella, E., & Geisler, M. W.** (2016). Associative processing within creative individuals using the N400. Poster presented at the Northern California Consciousness Conference, University of California, Davis.
79. **Lujan, C., Morsella, E., & Geisler, M. W.** (2016). Post-traumatic stress disorder: Expecting the worst. Poster presented at the Northern California Consciousness Conference, University of California, Davis.
78. **Velasquez, A. G., & Morsella, E.** (2016). A new flanker variant involving still more contextual-sensitivity: Implications for psychopathological research. Poster presented at the Annual Convention of the Association for Psychological Science, Chicago.
77. **Dou, W., Cho, H., Velasquez, A. G., Geisler, M. W., & Morsella, E.** (2016). Cognitive biases and involuntary cognitions in at-risk populations. Poster presented at the Annual Convention of the Association for Psychological Science, Chicago.
76. **Cushing, D., & Morsella, E.** (2016). The polymodal role of consciousness in adaptive action selection: A paradigm for neuroimaging. Poster presented at the Annual Convention of the Society for Cognitive Neuroscience, New York.
75. **Bhangal, S., Garcia, A. C., Velasquez, A. G., Geisler, M. W., & Morsella, E.** (2016). Working memory-based action control: An interference paradigm for neuroimaging. Poster presented at the Annual Convention of the Society for Cognitive Neuroscience, New York.
74. **Bhangal, S., Allen, A. K., & Morsella, E.** (2015). Habituation effects on involuntary cognitions: Evidence from the Reflexive Imagery Task. Poster presented at the Annual Convention of the Association for Psychological Science, New York.
73. **Cho, H., Zarolia, P., Velasquez, A., & Morsella, E.** (2015). Cognitive- versus emotion-based involuntary cognitions: An informative contrast for the reflexive imagery task. Poster presented at the Annual Convention of the Association for Psychological Science, New York.
72. **Merrick, C., Jantz, T. K., Morsella, E., & Geisler, M. W.** (2015). Further evidence of event-related alpha synchronization as inhibitory control during a working memory task. Poster presented at the Annual Convention of the Society for Cognitive Neuroscience, San Francisco.
71. **Cho, H., Bhangal, S., Allen, A. K., Zarolia, P., & Morsella, E.** (2015). Cognitive- versus emotion-based involuntary cognitions: Frontal control and habituation effects. Poster presented at the Annual Convention of the Society for Cognitive Neuroscience, San Francisco.
70. **Krisst, L. C., Chen, P-W., Morsella, E., & Geisler, M.** (2014). *Revisiting Libet's paradigm: Decision time and the influence of automaticity on time perception.* Poster presented at the Northern California Consciousness Conference, UC Davis.
69. **Bhangal, S., Merrick, C., Farnia, M., Jantz, T. K., & Morsella, E.** (2014). *External control of the stream of consciousness: Stimulus-based effects of involuntary thought sequences.* Poster presented at the Annual Convention of the Association for Psychological Science, San Francisco.
68. **Merrick, C., Jantz, T. K., Morsella, E., & Geisler, M. W.** (2014). *EEG correlates of spontaneous imagery during working memory rehearsal.* Poster presented at the Annual Convention of the Association for Psychological Science, San Francisco.

67. **Allen, A. K., Chen, P-W., & Morsella, E.** (2014). *Consciousness and the flanker task: Task-set rehearsal and subliminal flankers*. Poster presented at the Annual Convention of the Association for Psychological Science, San Francisco.
66. **Krisst, L. C., Chen, P-W., Morsella, E., & Geisler, M.** (2014). *Revisiting Libet's paradigm: EEG of response uncertainty and effects of action on temporal perception*. Poster presented at the Annual Convention of the Association for Psychological Science, San Francisco.
65. **Cho, H., Allen, A. K., Godwin, C. A., Montemayor, C., & Morsella, E.** (2014). *Thought stopping through sustained imagery: Involuntary subvocalizations and the sense of agency*. Poster presented at the Annual Convention of the Association for Psychological Science, San Francisco.
64. **Garcia, A. C., Geisler, M. W., & Morsella, E.** (2014). *Response interference during working memory-based action control: A new interference paradigm for neuroimaging*. Poster presented at the Annual Convention of the Society for Cognitive Neuroscience, Boston.
63. **Allen, A. K., Merrick, C., Wilkins, K., & Morsella, E.** (2013). *The reflexive imagery task: Unintentional imagery despite extensive training and voluntary set selection*. Poster presented at the Annual Meeting of the Association for the Scientific Study of Consciousness, San Diego.
62. **Krisst, L. C., Allen, A. K., Lanska, M., & Morsella, E.** (2013). *Subliminal priming of spontaneously experienced memories*. Poster presented at the Annual Meeting of the Association for the Scientific Study of Consciousness, San Diego.
61. **Merrick, C., Cooper, S., Jantz, T. K., & Morsella, E.** (2013). *Working memory based action control: Increased refreshing rate in the face of interference*. Poster presented at the Annual California Cognitive Science Conference, Berkeley.
60. **Allen, A. K., Wilkins, K., Merrick, C., & Morsella, E.** (2013). *The reflexive imagery task: A new, robust paradigm for neuroimaging*. Poster presented at the Annual Convention of the Society for Cognitive Neuroscience, San Francisco.
59. **Chen, P-W., Allen, A. K., Montemayor, C., & Morsella, E.** (2013). *Perceptual conflict over time and between modalities: Comparing bistable percepts and intersensory illusions*. Poster presented at the Annual Convention of the Society for Cognitive Neuroscience, San Francisco.
58. **Samaha, J., Lynn, M. T., Jantz, T. J., Morsella, E., & Geisler, M. W.** (2013). *Still searching for the phonological store: EEG correlates implicating motor and perceptual regions*. Poster presented at the Annual Convention of the Society for Cognitive Neuroscience, San Francisco.
57. **Krisst, L. C., Robinson, M. M., & Morsella, E.** (2013). *Revisiting Libet's studies: Effect of volition on time perception and response interference*. Poster presented at the Annual Convention of the Society for Cognitive Neuroscience, San Francisco.
56. **Godwin, C. A., Garcia, A. C., Morsella, E., & Geisler, M. W.** (2013). *EEG correlates of spontaneous thoughts triggered by external stimuli and stimulus-independent cognitions*. Poster presented at the Annual Convention of the Society for Cognitive Neuroscience, San Francisco.
55. **Samaha, J.M., Morsella, E., Geisler, M.W.** (2012). *Motor aspects of auditory imagery: Evidence for a Broca's area network*. Poster presented at the Annual Convention of the Association for the Scientific Study of Consciousness, Brighton, UK.
54. **Godwin, C.A., Geisler, M.W., & Morsella, E.** (2012). *EEG correlates of spontaneous thoughts and their introspection-based psychic determinants*. Poster accepted for presentation at the Bay Area Memory Meeting, Davis, California.
53. **Krisst, L. C., & Morsella, E.** (2012). *Introspections about visual sensory memory during the classic Sperling iconic memory task*. Poster presented at the Annual Convention of the Association for Psychological Science, Chicago.
52. **Jantz, T., Tomory, J. J., Schweiger, E. B., & Morsella, E.** (2012). *Subjective and behavioral effects of external distractors on items in working memory*. Poster presented at the Annual Convention of the Association for Psychological Science, Chicago.
51. **Godwin, C. A., Hubbard, J., Schweiger, E., McBride, A., & Morsella, E.** (2012). *Subjective effects in a response-effect compatibility paradigm with subliminal distractors*. Poster presented at the Annual Convention of the Association for Psychological Science, Chicago.
50. **Chen, P-W., Jantz, T. K., Cooper, S., & Morsella, E.** (2012). *Action set from training-based versus working memory-based knowledge: Subjective and performance effects*. Poster presented at the Annual Convention of the Association for Psychological Science, Chicago.

49. **McBride, A., Godwin, C. A.,** Montemayor, C., Geisler, M. W., & Morsella, E. (2012). *The phenomenal self: Introspections about the internal observer and origins of thoughts*. Poster presented at the Annual Convention of the Association for Psychological Science, Chicago.
48. **Tomory, J., Jantz, T.,** & Morsella, E. (2012). *Disturbing working memory: Rehearsal, imagery, and latency effects from external distractors*. Poster presented at the Annual Convention of the Society for Cognitive Neuroscience, Chicago.
47. **Cooper, S., Dennehy, T. C.,** & Morsella, E. (2012). *Action and Consciousness: Entry into awareness from behavioral inclinations and perceptual motor resonance*. Poster presented at the Annual Convention of the Society for Cognitive Neuroscience, Chicago.
46. **Godwin, C. A., McBride, A.,** Montemayor, C., Geisler, M. W., & Morsella, E. (2012). *Phenomenology of the stream of consciousness: Introspections about thoughts and the internal observer*. Poster presented at the Annual Convention of the Society for Cognitive Neuroscience, Chicago.
45. **Greenberg, Z. I.,** Morsella, E., & Paap, K. R. (2012). *The subjective aspects of processing incompatible speech intentions*. Annual Meeting of the Western Psychological Association, San Francisco.
44. **Cooper, S., Jantz, T., Hubbard, J.,** & Morsella, E. (2012). The limits of self-control: Susceptibility of goal-related representations to externally-triggered distraction. Poster presented at the Annual Convention of the Society for Personality and Social Psychology, San Diego.
43. **Godwin, C. A.,** & Morsella, E. (2012). *The history of a thought: Introspection-based 'psychic determinants' of spontaneous thought*. Poster presented at the Annual Convention of the Society for Personality and Social Psychology, San Diego.
42. **Robinson, M. M.,** & Morsella, E. (2012). *The subjective cost of everyday thinking (comparing, attending, and choosing): Implications for social cognition research*. Poster presented at the Annual Convention of the Society for Personality and Social Psychology, San Diego.
41. **Simpson, B.,** Matsumoto, D., Morsella, E., & Olide, A. (2012). *On the functional activation of emotions in goal pursuit*. Poster presented at the Annual Convention of the Society for Personality and Social Psychology, San Diego.
40. **McBride, A., Lanska, M.,** & Morsella, E. (2011). *Subliminal and task-related determinants of spontaneously-experienced autobiographical memory*. Poster presented at the Annual Convention of the Association for Psychological Science, Washington, D.C.
39. **Hubbard, J., Godwin, C.,** Sigman, M., & Morsella, E. (2011). *The cost of consciousness: The processing of simultaneous subliminal and supraliminal stimuli*. Poster presented at the Annual Convention of the Association for Psychological Science, Washington, D.C.
38. **Zarolia, P., Jantz, T., Hubbard, J.,** & Morsella, E. (2011). *Beyond the flanker task: Interference from incentivized distracters, anticipated action-effects, and refreshed representations*. Poster presented at the Annual Convention of the Society for Cognitive Neuroscience, San Francisco.
37. **Bedo, N., Lynn, M. T.,** Morsella, E., & Geisler, M. W. (2011). *Neural components of conscious and unconscious conflict: An EEG study*. Poster presented at the Annual Convention of the Society for Cognitive Neuroscience, San Francisco.
36. **Dennehy, T. C.,** & Morsella, E. (2011). *Entry into attentional awareness as a function of top-down action-related activation versus bottom-up perceptual salience*. Poster presented at the Annual Convention of the Society for Cognitive Neuroscience, San Francisco.
35. **Dennehy, T. C., Hubbard, J.,** & Morsella, E. (2011). *Nisbett and Wilson (1977) revisited: The little that we can know and can tell*. Poster presented at the Annual Convention of the Society for Personality and Social Psychology, San Antonio, Texas.
34. Morsella, E., **Jantz, T., & Tomory, J. J.** (2011). *Subjective and agency-related effects of controlled versus automatic processing: A quantitative review*. Poster presented at the Annual Convention of the Society for Personality and Social Psychology, San Antonio, Texas.
33. **Hubbard, J., Molapour, T., Dennehy, T. C.,** & Morsella, E. (2011). The subjective consequences of experiencing random events. Poster presented at the Annual Convention of the Society for Personality and Social Psychology, San Antonio, Texas.
32. **Hubbard, J.,** Morsella, E., **Rigby, T.,** & Gazzaley, A., (2010). *Inter-representational dynamics: endogenously-generated representations in working memory yield the interference effects found with external stimuli*. Poster presented at the California Cognitive Science Conference, Berkeley, CA.

31. **Molapour, T., Berger, C. C., Dennehy, T. C., & Morsella, E.** (2010). *Awareness during cognitive conflict: Double blindness and introspections about speed of processing*. Poster presented at the Annual Convention of the Association for Psychological Science, Boston, Massachusetts.
30. **Dennehy, T. C., & Morsella, E.** (2010). *Doing is for perceiving: Does causal action influence entry into attentional awareness?* Poster presented at the Annual Convention of the Association for Psychological Science, Boston, Massachusetts.
29. **Hubbard, J., Lynn, M. T., & Morsella, E.** (2010). *Internally-generated representations yield the facilitation and interference effects found with external stimuli*. Poster presented at the Annual Convention of the Association for Psychological Science, Boston, Massachusetts.
28. **Berger, C. C., Lynn, M. T., Riddle, T. A., & Morsella, E.** (2010). *The 'what' of doing: Lay perceptions of action and illusory intentions to act*. Poster presented at the Annual Convention of the Society for Personality and Social Psychology, Las Vegas, Nevada.
27. **Lanska, M., Ben-Zeev, A., & Morsella, E.** (2010). *Future action influences the content of spontaneous autobiographical memory: A new paradigm*. Poster presented at the Annual Convention of the Society for Personality and Social Psychology, Las Vegas, Nevada.
26. **Molapour, T., Lynn, M. T., Zarolia, P., Riddle, T. A., & Morsella, E.** (2010). *Valence from conflict: Its influence on likeability of perceptible and subliminal stimuli*. Poster presented at the Annual Convention of the Society for Personality and Social Psychology, Las Vegas, Nevada.
25. **Luong, H. N., Morsella, E., & Paik, J. H.** (2010). *Giving children a prefrontal cortex: Maintaining 'set' through external cues*. Poster presented at the Western Psychological Association Annual Convention, Cancun, Mexico.
24. **Luong, H. N., Paik, J. H., & Morsella, E.** (2010). *Giving children a prefrontal cortex: Using environmental stimulus to supplant existing interference*. Paper presented at the 17th International Conference on Learning, Hong Kong, China.
23. **Rigby, T., & Morsella, E.** (2009). *Metacognition without the cognition: Subjective effects of interference from subliminal stimuli and prospective memory*. Presented at the Annual Psi Chi Conference at San Francisco State University.
22. **Cigarchi, S., & Morsella, E.** (2009). *Subjective fatigue, self-regulation, and mental rotation*. Western Psychological Association Annual Convention. Portland, Oregon.
21. **Zarolia, P., & Morsella, E.** (2009). *The role of indirect cognitive control in activating affective/incentive states*. Western Psychological Association Annual Convention. Portland, Oregon.
20. **Larson, L. R. L., Morsella, E., & Bargh, J. A.** (2009). *Mental modes: Expertise priming influences behavioral dispositions in expertise-unrelated contexts*. Poster presented at the Annual Convention of the Association for Psychological Science, San Francisco, California.
19. **Rigby, T., & Morsella, E.** (2009). *Conscious of conflict, but not of the triggering stimuli*. Poster presented at the Annual Convention of the Association for Psychological Science, San Francisco, California.
18. **Lanska, M., Rigby, T., & Morsella, E.** (2009). *The forward-looking bias of the mind/brain: How future tasks breed intrusive cognitions*. Poster presented at the Annual Convention of the Association for Psychological Science, San Francisco, California.
17. **Cigarchi, S., Zarolia, P., & Morsella, E.** (2009). *How different modes of cognitive control influence affective/incentive states*. Poster presented at the Annual Convention of the Association for Psychological Science, San Francisco, California.
16. **Berger, C. C., Bargh, J. A., & Morsella, E.** (2009). *Perturbing metacognition: Tip-of-the-tongue state contagion and the urge fan effect*. Poster presented at the Annual Convention of the Association for Psychological Science, San Francisco, California.
15. **Riddle, T. A., & Morsella, E.** (2009). *Is that me? Authorship processing as a function of intrapsychic conflict*. Poster presentation at the Annual Convention of the Association for Psychological Science, San Francisco, California.

1. Morsella E., & Krauss, R. M. (1999). *Electromyography of arm during the lexical retrieval of abstract and concrete words.* Poster presented at the Annual Convention of the Society for Psychophysiology, Granada, Spain. *Psychophysiology*, 36, S82-S82.

## EDITORIAL ACTIVITIES

Invited editor for *Consciousness and Action Control*, a special issue of the journal, *Frontiers in Psychology*. The issue contained 18 articles. Apart from my work as editor for this special issue, I served as editor for several manuscripts for *Frontiers in Psychology*.

*Ad hoc* editorial reviewer for the journals:

### Science

*Behavioral and Brain Sciences* (3 target articles, last review 12/18/2016)

*Proceedings of the National Academy of Sciences* (3 articles, last review 9/6/2019)

*Psychological Review* (2 manuscripts)

*Journal of Cognitive Neuroscience* (4 manuscripts, last review 11/20/2012)

*Psychological Science* (6 manuscripts, last review 10/5/2014)

*Perspectives on Psychological Science* (2 manuscripts, last review 11/20/2012)

*Trends in Cognitive Sciences* (last review 3/23/2016)

*Journal of Experimental Psychology: General* (4 manuscripts, last review 1/27/2017)

*J. of Experimental Psychology: Human Perception and Performance* (2 papers, last review 1/29/2014)

*Journal of Experimental Psychology: Learning, Memory, & Cognition* (2 manuscripts, last review 7/23/18)

*Cognitive, Affective, and Behavioral Neuroscience* (3 manuscripts, last review 10/20/2013)

*Consciousness and Cognition* (7 manuscripts, last review 2/23/2018)  
*Neurocase* (3 manuscripts)  
*Cognition* (5 manuscripts)  
*Visual Cognition*  
*Frontiers in Psychology* (16 manuscripts, last review 4/3/2015)  
*Experimental Brain Research*  
*Current Directions in Psychological Science*  
*Language and Cognitive Processes*  
*Cognitive Science* (4 manuscripts, last review 1/10/2020)  
*Emotion* (2 manuscripts, last review 1/9/2018)  
*Metacognition and Learning* (1 manuscripts, last review 4/5/2020)  
*Biological Psychology*  
*Journal of Mind and Behavior* (1 manuscript, last review 4/1/2015)  
*New Ideas in Psychology*  
*Mens Sana Monographs*  
*Psychonomic Bulletin and Review* (4 manuscripts, last review 12/11/2015)  
*Social Cognition* (6 manuscripts, last review 4/13/2014)  
*British Journal of Social Psychology*  
*Social and Personality Psychology Compass*  
*Personality and Social Psychology Review* (2 manuscripts)  
*Acta Paediatrica*  
*Personality and Social Psychology Bulletin*  
*Journal of Personality and Social Psychology* (3 manuscripts)  
*Organization Behavior and Human Decision Processes*  
*Psychological Research* (3 manuscripts, last review 6/2015)  
*PLoS One* (2 manuscripts)  
*Frontiers in Neuroscience*  
*Journal of Cognitive Education and Psychology*  
*Brain Sciences*  
*Philosophical Psychology* (2 manuscript, last review 10/30/2016)  
*Philosophical Transactions B*  
*Journal of Applied Research in Memory and Cognition*  
*Motivation Science* (last review 12/12/2016)  
*Psychological Reports*

## GRANT ACTIVITY

2017-2018: Contract: Sponsor: Toyota Motor Company. Project: "Optimal response-signaling in the 'closed loop' between driver and vehicle in semi-automated driving" (\$151,929).

Apart from the NIH NRSA Postdoctoral Fellowship, "A Process Model of Automatic Social Behavior" (MH069083, score in top 1.2 percentile), as an Assistant Professor Dr. Morsella applied

for multiple NSF (Career Award & RUI), NIMH (NRSA & R21), NIDA, Mind Science Foundation, and SOMA external grants. One NSF Career Award proposal received three “Excellents” and one “Very Good.”

#### GRANT AND OTHER REVIEWER SERVICES

*Ad hoc* proposal reviewer for:  
*National Institutes of Health*, Early Career Reviewer for the Center for Scientific Review (two proposals)  
*National Science Foundation* (three times, including Division of Perception and Action)  
*Brain and Cognition* (Netherlands)  
*Netherlands Organisation for Scientific Research* (NWO)  
*The Danish Council for Independent Research*  
*The Mindscience Foundation*  
*Israel Science Foundation*  
*US-Israel Binational Science Foundation*  
*European Research Council* (ERC)

Served on a dissertation committee for the University of Copenhagen (May 30, 2013), which involved being physically present at the doctoral defense. In addition, on three occasions, served as an external reviewer for the appointment of faculty members at University of California, Davis (once), and University of California, San Francisco (twice).

#### CURRENT AND PREVIOUS OFFICIAL APPOINTMENTS

<i>Dates</i>	<i>Position</i>	<i>Institution</i>
2018-	Professor	San Francisco State University
2012 -	Associate Professor	San Francisco State University
2008 -	Asst. Adjunct Professor	University of California, San Francisco
2007 -	Assistant Professor	San Francisco State University
2005 - 2007	Postdoctoral Associate	Yale University
2003 - 2005	Postdoctoral Fellow	Yale University
2002 - 2003	Research Associate	Human Communication Laboratory at Columbia
2002 - 2003	Adjunct Professor	Columbia University
2002 - 2003	Adjunct Assistant Professor	Barnard College, Columbia University
2000 - 2001	Rapporteur	<i>Language and Cognition Seminar</i> at Columbia
1997 - 2002	Doctoral Fellow	Columbia University Psychology Department

## TEACHING EXPERIENCE AS ADJUNCT PROFESSOR

<i>Dates</i>	<i>Course</i>	<i>Institution</i>
April 30 & May 5, 2008	Lectures on language and the brain	UC, San Francisco
Spring 2003	Cognition: Basic Processes	Columbia University
Fall & Spring 2002	Introduction to Psychology	Barnard College
Summer 2002	Seminar in Language & Communication	Columbia University
Summer 2002 & 2003	Science of Psychology	Columbia University
Fall 1999 – 2002	Principles of Psychology (for the <i>Science Honors Program</i> )	Columbia University
Fall 1996	Introduction to Logic (as substitute instructor for a semester)	Miami-Dade Community College

## TEACHING EXPERIENCE AS TEACHING ASSISTANT AT COLUMBIA UNIVERSITY

Spring 2002	Cognition: Basic Processes
Fall 2001	Language and the Brain
Spring 2001	Human Communication
Fall 1997 & 1999	The Science of Psychology

## TEACHING INTERESTS

Cognitive Neuroscience, Experimental Methods, Conscious versus Unconscious Processing, Cognition, History of Psychology, Psycholinguistics & Neurolinguistics, Language and Communication, Principles of Scientific Psychology (Introduction to Psychology)

## PROFESSIONAL AFFILIATIONS

Society for General Psychology (American Psychological Association, Division 1)  
Association for Psychological Science  
Association for the Scientific Study of Consciousness  
Psychonomic Society  
*Phi Beta Kappa, Phi Kappa Phi, Psi Chi*
